Mike joined Munich Re in January, 2008 to take on the role of President and CEO of the US Life Reinsurance business for Munich Re. This covers all lines of business, including Ordinary life, Group Life & disability, Long Term Care and Individual Disability. As one of the largest Life Reinsurers in the US, Munich strives to be a disciplined, client focused Reinsurer that sets itself apart from its competition by offering the most complete line of reinsurance coverages. Mike has accountability for all aspects of Munich American Re's business and sits on the Board of the Company and its subsidiaries which include LifePlans, one of the largest Underwriting, Claims and Administration TPA's serving the Long Term Care market.

Previous to joining Munich, Mike was with a large International Insurance Organization for almost 20 years in a variety of roles. An Actuary by training, Mike held roles of increasing responsibility in a variety of Canadian, US Group, US Individual and Reinsurance business units. Mike's experience with this company included being the CFO of a direct marketing Insurance unit in Canada, line management responsibility of a large Reinsurance business unit, and a role in Risk Management, where he had worldwide accountability for product risk, underwriting risk, the development of Economic Capital models and for procuring all of the company's insurance and reinsurance covers (D&O liability, Property and Catastrophic Life covers).

Mike is a graduate of the University of Toronto with a Bachelor of Science degree in Actuarial Science and a Major in Economics. He is also a Fellow of the Society of Actuaries, a Fellow of the Canadian Institute of Actuaries and a Member of the American Academy of Actuaries.
